2026 IEEE/SICE INTERNATIONAL
SYMPOSIUM ON SYSTEM INTEGRATION

SII 2026 CANCUN

<https://sice-si.org/SII2026/>

Call for Papers

IEEE/SICE SII is the premier symposium series presenting the state-of-the-art and future perspectives of system integration, where academic researchers and industry experts share ideas and experiences surrounding frontier technologies, research breakthroughs, and innovative solutions and applications.

**The 2026 IEEE/SICE International Symposium on System Integration (SII 2026)
will be held from January 11 to 14, 2026, in the vibrant city of Cancun, Mexico**

Contributed Papers

The conference's working language is English. Authors should submit their papers electronically in PDF format. Regular Papers are 4 to 6 pages, with up to 2 additional pages at an extra charge, for a maximum of 8 pages. All papers will be peer-reviewed. Accepted papers will be published in the conference proceedings on IEEE Xplore.

Special Sessions

Special Sessions provide an opportunity to focus on emerging topics that may not be fully covered by the existing conference tracks or to highlight a specific research area where experts wish to gather and discuss recent advances.

Workshops & Tutorials

Proposals for half-day or full-day Workshops or Tutorials should include a list of prospective speakers, along with the title, organizers, abstract, and a brief description of the area of interest.
