Call for Late Breaking Results

The Organizing Committee of the 2026 IEEE/SICE International Symposium on System Integration (SII 2026) is inviting Late Breaking Results for the Poster Session to be held during the conference in Cancun, Mexico, from January 11 to 14, 2026. Note that these contributions are peer-reviewed but do not qualify as official publications (accepted Late Breaking Results will not be included in IEEE Xplore).

Please submit one A4 page containing an Extended Abstract in PDF format. A panel will review submissions for suitability and notify you of acceptance. If your Extended Abstract is accepted, one of the authors must register for the conference and present their work at the Poster Session. Do not miss this chance to share your interesting new findings with the community.

Please note that a full registration to SII 2026 is required to carry out the presentation of the Late Breaking Results during the Poster Session.

Guidelines & Submission

Extended Abstract guidelines:

- The official template of the submissions is the same as the regular submissions, except that they must be limited to one page. It can be found at

    https://sice-si.org/SII2026/instructions-for-authors/

- All the extended abstracts for Late Breaking Results will be submitted in PDF format through the PaperPlaza Conference/Journal Management System.

    https://ras.papercept.net/conferences/scripts/login.pl

    Note: Only the 1-page Extended Abstract should be uploaded in PaperPlaza.
    The poster is for the presentation at the actual Poster Session.

Poster guidelines:

- Language: English.
- Poster size: Posters should be printed in A0 format, portrait orientation, with the following dimensions: 84.1 cm (width) × 118.9 cm (height), or equivalently 33.1 in (width) × 46.8 in (height).
- Poster format: Content printed by the authors on paper or cloth for the Poster Session. There is no specific template for the posters. You should choose the format that best represents your research work. Please use the SII 2026 logos that can be found on the conference website at https://sice-si.org/SII2026/.
